

## **ABOUT US**

Megalith is the annual technical fest of the department of Civil Engineering, Indian Institute of Technology, Kharagpur, held under the aegis of the Civil Engineering Society, IIT Kharagpur and the patronage of the institution of Civil Engineers(UK), IIT Kharagpur. Since its inception in 2009, Megalith has conquered a huge success in the field of engineering and corporate sector and has grown as largest Civil Engineering Technical Fest of India, offering a diverse range of competitions, workshops and guest lectures.

IIT Kharagpur was founded in 1951, thus becoming the first IIT to be established in India. It is an epitome of higher education in our nation and has honed some of the most brilliant minds of our country. Recently, it has been recognised as an Indian Institute of Eminence. Boasting a lush green area of 2100 acres, the campus of IIT Kharagpur has become a place symbolizing learning, culture and diversity.

Interns hired from Megalith Internship Program (MIP) will serve as a connection between their college and our campus i.e. as a nodal point for any kind of communication or promotion. This is a deeply rewarding opportunity both on a personal level and also in terms of career prospects as, being a Intern helps in personality development besides, enhancing your managerial skills.
